

At **Seal Company**, we are committed to delivering high quality custom engineered solutions that cater to the unique needs of our customers in a variety of industries. With a focus on technology, innovation, and exceptional quality, we provide reliable products and services that exceed industry standards. Our dedication to excellence and customer satisfaction makes us the ideal partner for a wide range of projects.

WE TAKE  
**QUALITY**  
SERIOUSLY

Quality is our top priority at **Seal Company**. We possess some of the highest industry certifications, including:

- SAE **AS 9100** Rev. D
- **ISO 9001**: 2015
- **ITAR** Registered
- **UL®** Certified Repackager
- **GIDEP** Member
- **FAA** (Design House & Prime for the FAA)
- **CMMC** Certification (in process)

These certifications demonstrate our commitment to delivering products and services of the highest quality.

## MANUFACTURING SOLUTIONS

**Seal Company** is a leader in manufacturing, utilizing advanced technologies and processes to deliver innovative solutions. Our key manufacturing services include:

- **CNC KNIFE & ROUTER:** Utilize our large CNC tables for precise and customized shapes.
- **LASER CUTTING:** High-tolerance laser cutting services for plastics and metals using advanced technology.
- **3D SCANNING:** Accelerate reverse engineering by importing scanned data into CAD programs.
- **CAD (Computer Aided Design):** Transforming concepts into reality through advanced design and engineering.
- **CAM (Computer Aided Manufacturing):** Efficient CNC programming for optimal cutting results.
- **VULCANIZING:** Custom O-rings to your specifications.
- **GASKETS:** Diverse materials and cutting options for optimal performance in any environment.
- **CLICKER PRESS DIE CUTTING:** Ensure quality gaskets with fast and reliable die cutting.
- **LATHE & MILL OPERATIONS:** Versatile machining capabilities to meet various manufacturing needs.

When it has  
to be *right*.

## MATERIAL SOLUTIONS

Seal Company excels in working with a wide range of materials, including **exotic metals** and those with specific certifications or requirements. Our expertise includes:

- **Aflas®** (TFE/P, FEPM)
- **EPDM** (EPM, EPR)
- **Neoprene Rubber** (CR)
- **Closed Cell Neoprene**
- **Nitrile Rubber** (NBR, Buna-N)
- **Fluorosilicone** (FVMQ)
- **Highly Saturated Nitrile** (HSN, HNBR)
- **Perfluorinated Elastomer** (FFKM)
- **Silicone** (VMQ, PVMQ)
- **Closed Cell Silicone**
- **Viton®** (FKM)
- **Red Rubber** (SBR)
- **Cork**
- **Cork & Rubber**
- **CeraTex®**
- **Wire Mesh**
- **Brass Shim**
- **Flexible Graphite**
- **Cloth-Inserted Materials**
- **Fish Paper**
- **Compressed Non-Asbestos** (CNAF)
- **Plastics**
- **Vegetable Fiber**
- **Gasket Paper**
- **Teflon®** (PTFE, TFE)
- **Steel Shim**
- **Aluminum**
- **Stainless Steel**
- **Brass**
- **Copper**

## SERVICE SOLUTIONS

At Seal Company, we offer a wide range of service solutions to streamline operations and enhance efficiency. Our service solutions include:

**BARCODING:** Precision barcode solutions for efficient supply chain management.

**CUSTOM PACKAGING:** Packaging of seals and seal kits to commercial, customer, and military specifications.

**INVENTORY MANAGEMENT:** Kanban, JIT, VMI, and custom inventory programs to meet your needs.

**KITTING:** Streamlined purchasing through pre-assembled parts.

**COLOR CODING:** Accurate color coding and precise seal identification for streamlined inventory management.

## SEALING SOLUTIONS

Seal Company is a leading provider of sealing solutions for diverse industries including **Defense & Space, Oil & Gas, Agriculture, Fluid Power, Food & Beverage, General Industrial, Heavy Equipment, Life Sciences, Power Generation,** and **Renewable Energy**. We partner with industry giants to deliver innovative and reliable solutions for your unique challenges.

Our partnerships with industry leaders such as **Parker, Parco, SKF® Seals, SKF® Polyseal, Timken® Seals, Garlock®, Precix, Dichtomatik, Spira, TEADIT®, KLINGER Thermoseal, Freudenberg, Kalrez®,** and **3M,** enable us to offer a comprehensive range of materials and solutions.

## WHY SEAL COMPANY?

**HIGH-TECH SOLUTIONS:** CAD & CAM expertise for tailored solutions, turning ideas into reality.

**DISTRIBUTION PARTNERSHIPS:** Access to wide range of materials and resources through industry-leading suppliers.

**QUALITY CERTIFICATIONS:** Committed to delivering highest quality products, exceeding industry standards.

**CUSTOMER-FOCUSED APPROACH:** Prioritizing satisfaction, building long-term partnerships, personalized support.

**Innovative solutions, exceptional quality,** and **stellar service** for businesses across all industries. **Partner with us for success!** Let's partner to find the perfect sealing solution for your application. **Contact us today.**
